

CENTRAL AIR TUNE UP

A spring inspection and tune-up of your central air conditioner unit can improve its efficiency and increase its life span.

Without regular cleaning and maintenance, an air conditioner can lose up to 5% of its original efficiency for each year of operation.

Kaukauna Utilities offers a rebate to encourage regular inspection and maintenance of central air conditioners.

If you are a homeowner or business owner with a central air conditioner, you may be eligible for up to \$25 toward a professional service inspection and tune-up.

CERTIFICATION AND AGREEMENT

I agree that Kaukauna Utilities does not guarantee that the central air conditioner inspection and tune-up or the implementation of any energy efficiency described in this application will result in energy cost savings. Kaukauna Utilities makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall Kaukauna Utilities be liable for any incidental or consequential damages.

I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice. I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application.
